\*\* Plane and Pilot "Pilot My-Cast" review (Sep 2007, pg 80) reports "A more serious problem was that I couldn't get the program to deliver a briefing for the entire route. There seems to be a limit to the length of legs the program will support."

\*\*\* Plane and Pilot "Pilot My-Cast" review (Sep 2007, pg 80) reports "The program doesn't give you NOTAMs. That's a real pity."
